

Rotary Club of Redondo Beach Community Foundation

ANNUAL REPORT 2021-2022

People of Action

We Rotarians are grateful for the support of our fellow members, greater Rotary family, and local community. This collective spirit enabled us to continue our good work throughout the past year while many in our neighborhoods and greater community struggled.

It takes a village to succeed and this was a very good year for our club; adding new members, exceeding our fundraising goals, completing a multitude of projects locally as well as internationally, and as a nice bonus being called out for these results.

"We were recognized as a Club of Excellence by the district this year to my shock and delight, however it was due to all of you, and without you and your hard work, it never would have happened. The best part is that as we earned that amazing award, we helped so many many people both locally and internationally." Nancy Weisel

Rotary Club of Redondo Beach President 2021-22

Rotarians in Action

*Rotarians have a vision of what's possible for their neighbors.
They mobilize other leaders and experts to take action and see it through*

Our Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision Statement

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Food Insecurity

Once again, our most pressing community need was food;

- ✓ We ran numerous food drives for local families, delivering carloads of staples to nearby churches for distribution
- ✓ We assisted the Salvation Army with Meals on Wheels, delivering food weekly to homes in Central Redondo Beach
- ✓ We supported military families in Camp Pendleton with multiple collections of food, clothing and household goods, and college students at El Camino College
- ✓ We worked with the LA Food Bank and Rise Against Hunger packing boxes of food
- ✓ We donated to local organizations, like PCI, to ensure their pantries were operational

Woodford Reserve Distillery Bourbon & Whiskey Tasting

Imagine Winery Holiday Wine Tasting

An Evening of Comedy & Music Featuring Comedian Carla Collins & Musicians;

Ishani Bhoola, Mary Ann Krupa Stickler, Slim Man, Chase Huna, and Steven Harms

As the year progressed we were finally able to hold an in-person event, which included the awarding of Opportunity Draw prizes, and a live auction.

Sadly, we lost an incredible woman and fellow Rotarian.

Sue was a beloved middle school math teach for 25 years, then used those skills to become a FINA Chief Recorder judging Synchronized Swimming, seven Summer Olympics, the US Open, US Women's Open, US Senior Golf Championships, and several other PGA Tour events.

In addition to her family, Sues' other love was music, as a member of the Cleveland Orchestra Chorus for 18 years, in school and church choirs, and always our cheerful go-to for birthday celebrations.

Sue was an impressive lady, yet we will remember her for her kindness, generosity, positive attitude, great smile and willingness to give of herself. She is dearly missed yet we are so fortunate we were able to share part of the journey alongside her.
