

Redondo Beach Rotary Community Foundation

ANNUAL REPORT 2019 - 20

People of Action

No other 501(c)3 donation is quite like giving to a Rotary Club Foundation.

For more than 100 years, Rotary has united leaders who donate their time and expertise, taking action to improve their communities. From delivering meals to the elderly, providing food to the COVID displaced to facilitating nutritional training to middle school students, and 28 other charitable projects – members of the Rotary Club of Redondo Beach invest their passion and resources to make a difference in their community and beyond.

Whether utilizing Rotary International resources to work autonomously, or partnering with other Rotary Clubs, or working as a 1.2 million strong Rotary International organization, Rotary's community-based bottoms up model accomplishes amazing things. Rotary's worldwide partnership with WHO, UNICEF, CDC and the Bill and Melinda Gates Foundation has taken Polio from 350,000 polio cases in over 125 countries to less than 60 cases in only two remaining countries. Earlier this year the worldwide Rotary Polio team turned its focus to the global pandemic of COVID-19.

I know of no better place to put your generous donation to work.

Won't you join us in making a positive difference in our community?

In addition to raising money each year for charitable projects, the Redondo Beach Rotary Community Foundation is building an endowment fund to continue our good work over time.

EXPENDITURES \$76,752

Over 94% of all funds raised go directly to projects. Less than **6%** of contributions go to fundraising and operations.

Our Redondo Beach Rotary Community Foundation is a tax exempt 501(c)3 Public Charity - EIN 26-1447986. Governance documentation and W-9 forms are available at Redondobeachrotary.org, under the Community Foundation tab, use the drop-down menu of Foundation Public Documents.

Rotarians are people of action, driven by a desire to create opportunities, strengthen communities, and find solutions to the tough challenges that affect people

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster;

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

The application of the ideal of service in each Rotarian's personal, business, and community life;

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

COVID-19 and Our Annual Fundraiser

Each year we hold a fundraiser to fund programs and support organizational partners. **A Bootleggers' Ball** was planned for April 2020, but when **COVID-19** hit we quickly redirected with an online auction. Thanks to the generous donations of our sponsors, members, planned attendees and auction donors, we were able to make the best of a tough situation and raise \$54,940.

We immediately regrouped and turned our focus to new, pressing needs brought on by the pandemic, addressing food insecurity for those whose jobs disappeared overnight, assisting homeless shelters and providing donations to women's centers and our military families.

Our heartfelt thanks to all our supporters for your flexibility, resilience and support!

We couldn't have done it without you!
